Rotary News

FROM DISTRICT GOVERNOR PAUL MANGELS:

There are many questions on how Rotarians can help those affected by Hurricane Matthew, specifically in Haiti. One of the areas most severely impacted was Jeremie, the home of the Haitian Health Foundation. HHS has been working in Haiti for 30 years and has close ties to Rotary and to our district. Donations can be made through their website at:

haitianhealthfoundation.org

Or mailed to:

District 7089 Foundation
