Thought for the Day

"Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love."

~Martin Luther King, Jr.

This year, the New London Rotary's Installation Ceremony will be held on Thursday, June 22nd at our noon meeting at the Holiday Inn.

Our special guest will be District Governor-Elect, Trish Pearson. Be sure to be there, as this is our opportunity to recognize New London Rotary's leaders, past, present and future.

Please note that the Rotary Board made the decision to hold the installation event during a lunch meeting, so as not to overtax our membership with evening events that carry additional costs.
